

## EASTERN AFRICA FARMERS FEDERATION

What role can regional farmer organizations play to support the effective implementation of country action plans regarding:

- Replication and/or scaling of best practices
- Strengthening the organization as the voice of farmers at national level
- Integration of the CAADP process so as to give farmers a voice

Actions to be carried out	Person/ organizations responsible	Person/ organizations involved	Deadline
EAFF to lobby NPCA for the hiring of a desk officer at the EAFF secretariat to address issues related to CAADP			
EAFF to develop project proposals on thematic issues (drawing from success case studies in the region). Possibly around regional CAADP compact			
EAFF to follow up on the implementation of country action plans (through Desk officer)			
EAFF (through desk officer) to assist in developing capacity (e.g. to develop investment plans) of NFOs and raise awareness around CAADP			
Assist in the formation of national umbrella organizations of farmers, where they do not exist (Ethiopia, Djibouti, DRC, Rwanda)			
Advocacy and lobbying around government allocation of 10% to national budget			

Ensure that agricultural policy framework at the regional level (esp. East African Community) is compliant to CAADP principles
